

WHAT AFRICAN COMMUNITIES CAN DO ABOUT THE PROBLEM OF SHRINE SLAVERY:

3 pillars of voodoo power & slavery:

Secrecy

Deceit

Fear

With an underlying foundation of some kind of spiritual power

Are these three pillars characteristic of God and His commands as you know and understand it?

If not, it's obvious that whatever spiritual power underlies the voodoo issue, it is not a power that comes from God.

- Break secrecy. Talk about it and if you are a praying person, pray about it publicly.
 - Speak up in the newspapers.
 - Speak up to your legislators.
 - Speak up in daily conversation. Use the gifts & opportunities God gives you.
- Tell the truth about the subject.
 - Tell the truth about the reality that exists.
 - Tell the truth to interviewers and researchers.
 - Follow Mark Wisdom's example.
- Let God fill you with courage.
 - Do what God lays on your heart to do and trust that God will protect and reward you for doing right.
 - Receive former voodoosi back into society when they begin to be freed.
 - Mark Wisdom died an old man.
