

E294 Why not call Trokosi what it is—slavery?

WHY NOT CALL TROKOSI WHAT IT IS-- SLAVERY?

Osofo Ahadzi, spokesman for Afrikania Mission, admitted in March 2008 that the consent of the girl to be taken into the trokosi system "IS NEVER SOUGHT."

He also admitted that they are used for free labor on the farms (the shrine farms).

So the question we must pose is, Why not call it slavery?
